Sir:

On February 6, 2002, the Applicants filed with the U.S. Patent and Trademark Office (USPTO), via U.S. Express Mail with a certificate of mailing dated February 6, 2002, the followings items: a Response to a Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures (5 pages); a copy of a December 6, 2001 document entitled "Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures" (2 pages); a document entitled "Sequence Listing" (8 pages); a computer-readable diskette; a document entitled "Statement to Support Filing and Submission in Accordance with 37 C.F.R. §§ 1.821-1.825" (2 pages); Appendix A (5 pages); Appendix B (5 pages); and Appendix C (1 page). The document

entitled "Sequence Listing" and the computer-readable diskette were filed in accordance with 37 C.F.R. § 1.821(c) and (e), respectively.

The items that are mentioned in the first sentence of the preceding paragraph were filed with the USPTO in accordance with 37 C.F.R. § 1.821(g). In connection with the items that are mentioned in first sentence of the preceding paragraph, the undersigned hereby states that:

1. the items that are mentioned in the first sentence of the preceding paragraph (including the document entitled "Sequence Listing" and the computer-readable diskette) do not include new matter;
2. the contents of the document entitled "Sequence Listing" and the contents of the computer-readable diskette, which contains a computer-readable copy of the document entitled "Sequence Listing," are the same; and
3. all statements made herein of my own knowledge are true; and all statements made on information and belief are believed to be true; and further, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false

- statements may jeopardize the validity of the application or patent resulting therefrom.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first-class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on
